

Website Design and Development

Our website design ranges from a normal straight forward website to your more complex websites that has databases like forums, online store's and CRM management attached to your website.

Website design packages:

- 💰 Options 1 – R 2000
This option will be for your general website that has around 4 – 6 pages.
- 💰 Options 2 – R3 000
This option will be for your more advanced website consisting of more than 6 pages and if you want to attach another database to it eg. Forum, online store or a CRM system.
- 💰 Option 3 – R4 000
This option will apply if you have several businesses and databases that you want to link. This will be to a maximum of 4 separate businesses or 4 websites for 4 parts of your business. This is applicable if the Style and format changes.

Domain Registrations:

We handle all your domain registrations and yearly renewal of your domain name.

- 💰 Domain Registration varies from R100 to R250 for your most general domains eg. .co.za and .com.
- 💰 Advanced domain names eg. .clothing and .fm varies from R250 up to R1 405.

Hosting Packages:

We have different hosting packages available depending on your needs.
